Dear **AKKAPALLY SAMPATH**

Congratulations! You are selected for Hexart.In Cohort Innovation Program (HCIP) and Student Internship with Hexart.In effective **09-06-2025.**

Cohort duration: 09-06-2025 to 09-10-2025.

As part of the Hexart.In Research Cohort Program, you are expected to provide at least 20 hours per week for the first period of 4 weeks, after which it can be extended to 12 to 14 weeks subject to fulfilling evaluation criteria. Over these 4 weeks, you will learn machine learning by implementing research papers to solve problems. You will be exposed to the real-world problem statements, which we will try to solve using Artificial Intelligence.

After the completion of the HCIP program, you will be required to submit the following details.
1. Present your solution as a case study pitch (PPT)
2. Clearly highlight the problem you are trying to solve and the narrative linking it to a real-world application.
3. Prepare a 30 second video clip that is website worthy and can be shared on social media.

As part of the Student Internship program, you are required to
1. Work and review various mini projects of other students
2. Build small codes bases content for the courses
3. Work on your own projects on AI or join any project defined by industry or government
4. Help in guiding and training school/college students to encourage them into AI technology through small experiments, demos and field visits.

Note:
- This letter does not indicate your completion of the program. We will issue a separate letter/ certificate on completion of your participation in the cohort program.
- This is an unpaid academic program. Li2 Edu reserves the right to terminate our collaboration or selection at any time, without notice, if:
  - You fail to demonstrate a genuine commitment to the program's goals and objectives.
  - Your actions or behavior are deemed unprofessional, unethical, or detrimental to the program's success.
  - Any untoward incidents or unacceptable behavior occur, which may compromise the program's integrity or reputation.

By participating in this program, you acknowledge and agree to these terms.

Again, congratulations and we look forward to working with you.
